Volume 32 Issue 6 | AIM December 2014

Highlights
445 In this issue
A White

Original papers
446 Ultrasound-guided percutaneous needle electrolysis in chronic lateral epicondylitis: short- and long-term results
F Valera-Carrado, F Amaya-Manrique, F Medina-Miraپeix

455 Risk factors associated with adverse events of acupuncture: a prospective study
K-F Chung, W-F Yeung, C-W Kwok, Y-M Yu

463 Anti-apoptotic signal transduction mechanism of electroacupuncture in acute spinal cord injury
Q Renfu, C Kongliang, D Mengxuan, Z Liang, X Jinwei, Y Zonghao, Y Disheng

478 Effects and mechanisms of auricular electroacupuncture on visceral pain induced by colorectal distension in conscious rats
J Zhou, X Li, Y Liao, W Feng, X Guo

486 Antihyperglycaemic effect of laser acupuncture treatment at BL20 in diabetic rats
J Coney-Garrido, F Becerril-Chávez, C Carlín-Vargas, J M Ordóñez-Rodríguez, M del C Abrajan-González, R de la Cruz-Ramírez, C Ordaz-Pichardo

495 GV20-based acupuncture for animal models of acute intracerebral haemorrhage: a preclinical systematic review and meta-analysis
H-g Li, J-k Li, A-j Liu, M-y Ye, G-d Zheng

Education and practice
503 Could acupuncture have a role in the treatment of autism spectrum disorder via modulation of BDNF expression and activation?
L-Y Li, N Jiang, Y Zhao

Observations
506 Acupuncture for retained placenta: a retrospective case series
I Djakovcic, N Bilic

509 Acupuncture therapy for fever induced by viral upper respiratory tract infection (URTI) in military medical service: a case series
S W Kwok, K H Shue, W S Jiang, S K Almoon, K H Cho

Obituary
512 Dr Felix Mann
A Macdonald

Letters
514 Pneumothorax sustained during acupuncture training: a case report
A P M de Encarnação, J N Teixeira, J L Cruz, J E Oliveira

517 Pneumothorax complication of deep dry needling demonstration
M Cummings, R Ross-Alarm, R Gerwin

520 New approach to preventing long acupuncture needles from buckling and contamination during insertion
C S Zhang, A L Zhang, C C Xue, Y M Xie

523 Laser acupuncture as an adjuvant therapy for a neonate with neonatal abstinence syndrome (NAS) due to maternal substitution therapy: additional value of acupuncture
W Raith, B Urlesberger

Acupuncture research update
525 Summaries of recent papers
A White, M Meinen

Meetings and courses
531 BMAS acupuncture courses
532 BMAS courses
534 National and International meetings
